Both warranty options cover parts and labor if overhaul is completed by a Volvo dealer. Warranty labor is not covered if overhaul is not completed by a Volvo dealer. ¹A Volvo dealer must perform the labor to be eligible for the 3-Year Extended Coverage. ²Volvo Loaded Cylinder Kits are available for an additional cost. ³Double idler gear receives warranty indicated only if it was replaced with a new one at time of overhaul. ⁴D11 REMAN Basic (3/4) Engine includes injectors. ⁵EPA'10 timing gears (including double idler gear) are covered if within tolerance when tested. **Note:** Mileage and time are from date of service. All "Covered Components" must pass inspection or be replaced at the proper intervals as prescribed by a Volvo dealer to qualify for continued coverage. All warranty coverage is subject to the Limitations and Exclusions contained in the relevant Warranty Certificate, which is available upon request.
